I'll have to get back to you on this sometime tomorrow. On my way back to Eugene from Hawkesbury.

Hi Ryan,

We are in the process in creating Bom's and routes for the various parts in the cargo hook assy, most parts will be purchased from red barn, but I have a few questions for the following parts:

1-d5066 placards, do we purchase from you, or do we get from our own vendor?

Buy from us, we provided these last time.

2-d5092-3/-041 doubler we purchase from you, or do we manufacture in house ?

Go ahead and do this one. You guys provided last time.

3-d5108-1 relay bracket we purchase from you, or do we manufacture in house ?

Go ahead and do this one. You guys provided last time.

4-D5116-041 do we purchase from you, or do we get from our own vendor?

Go ahead and do this one. I don't think I've even seen this print.

5-D5095-1 do we purchase from you, or do we get from our own vendor?

Go ahead and do this one. You guys provided last time.

6-D5096-1 do we purchase from you, or do we get from our own vendor?

Go ahead and do this one. You guys provided last time.

I guess this will depend also if you have inventory of these items,

Let me know,

THX

JL
